Privacy Policy

Personal Information

During the Registration Process for creating a user account, we request for your name, company name, mobile number and official email address. You will also be asked to choose a unique username and a password, which will be used solely for the purpose of providing access to your user account. Your name and email address will be used to inform you regarding new services, releases, upcoming events and changes in this Privacy Policy Statement.

Usage Details

Your usage details such as time, frequency, duration and pattern of use, features used and the amount of storage used will be recorded by us and used internally in order to enhance your experience of HireAssure services and help us provide the best service. We collect the email addresses of those who communicate with us via e-mail, aggregate information on what pages prospects / customers access or visit, and information volunteered by the customer (such as survey information and/or site registrations). The information we collect is used to improve the content of our Web pages and the quality of our service, and is not shared with or sold to other organizations for commercial purposes.

Cookies And Tracking Technologies

We use temporary and permanent cookies to enhance your experience of HireAssure Services. Temporary cookies will be removed from your computer each time you close your browser. If you select 'keep me signed-in' option in within HireAssure if and when prompted, a permanent cookie will be stored in your computer and you will not be required to sign-in by providing complete login information each time you return to our website. If you have turned cookies off, you may not be able to use registered areas of the website. We tie cookie information to your email address when you elect to remain logged in so as to maintain and recall your preferences within the website.

Links From Our Website

Some pages of our website contain external links. You are advised to verify the privacy practices of such other websites. We are not responsible for the manner of use or misuse of information made available by you at such other websites. We encourage you not to provide Personal Information, without assuring yourselves of the Privacy Policy Statement of other websites.

Your Choice In Information Use

In the event we decide to use your Personal Information for any purpose other than as stated in this Privacy Policy Statement, we will offer you an effective way to opt out of the use of your Personal Information for those other purposes. From time to time, we may send emails to you regarding new services, releases and upcoming events. You may opt out of receiving newsletters and other secondary messages from HireAssure by selecting the 'unsubscribe' function present in every email we send. However, you will continue to receive essential transactional emails.

Changes

HireAssure may periodically update this policy. We will notify you about significant changes in the way we treat personal information by sending a notice to the primary email address specified in your HireAssure primary account holder account or by placing a prominent notice on our site.
